

Educational Workshops

Play, experiment and **engage** with a hands-on workshop in the Makers', while also learning about the artworks in the collection and exhibitions on display.

Our educational programme offers the following experiences to groups of all ages. Each category is based on a certain required running time. Please make your choice according to your available timeframe. All options can be extended and presented in more detail.

All offerings include materials and a 30-45min educational tour of the exhibitions. The tour is included in the time allowance indicated.

Please note

- This programme is presented from Tuesdays to Fridays, between 10:00 and 17:00
- Our capacity is 6 – 24pax (alternative arrangements can be discussed for larger groups)
- An upfront payment is necessary to secure the booking, at least 7 days prior to your visit
- Catering and transport are not provided or included in the pricing
- Any group visiting with minors will have to complete an indemnity form and will receive guidelines for the consumption of food & drink while visiting the museum and the workshop spaces
